

Sam Broad Picture Framing all you need to know to get there

If you're coming from town get on the motorway and head out to the Hutt, get off at the first Petone exit and drive along the Esplanade which turns into Waione St towards the end, keep going straight over the bridge and when you get to the GIANT roundabout at Hutt Park take a left into Randwick Rd, continue on down past the shops and you'll see a dear little library on your left, turn left here into Randwick Cres and we're number 103 just past the park on your right.

If you're taking the train get off at the Woburn Station and it's a short walk to our place, see map.
